Contact Information

Phone: 00.33.(0)3.80.77.23.19
Email: jean-sauveur.ay-at-inrae-dot-fr
Address: UMR Cesaer, 26 blvd Dr Petitjean, 21000 Dijon (France)
Web pages: [GitHub](#) / [Laboratory](#) / [RePEc](#) / [ResearchGate](#) / [Scholar](#)

Research interest

My research combines theoretical and empirical approaches in land economics to generate evidence that supports better public policies. I specialize in wine economics and enjoy collaborating across disciplines to address agricultural, environmental, and urban challenges.

Professional experience

2014 to now	Researcher at INRAE, UMR Cesaer , Dijon
April-May 2026	Visiting scholar at Bren School , UC Santa Barbara
2013 to 2014	Research fellow at INRA, UMR Éco Pub , Paris
2011 to 2013	Postdoctoral fellow at CNRS-MNHN, UMR Cescos , Paris

Education

2008 to 2011	PhD in Economics at INRA and Université de Bourgogne
2007 to 2008	M.Sc. in Economics at PSE , Paris School of Economics
2005 to 2008	M.Sc. in Economics at Université Aix-Marseille II

Current papers

- **Prestigious wine grade designation** (with Julie Le Gallo) [[wp](#)]
- **Private and social efficiency of insecticide use against an insect-borne infectious disease** (with Estelle Gozlan and Emmanuel Paroissien) [[file](#)]
- **Return on investment for promoting homeownership: The case of the French interest-free loan policy** (with Rémi Lei and Julie Le Gallo) [[file](#)]
- **Does urban sprawl cause residential vacancy across French municipalities?** (with Mahamoudou Zore and Catherine Baumont) [[file](#)]
- **The dynamic impact of land-use changes on soil organic carbon** (with Liang Diao and Valentin Bellassen) [[file](#)]

Publications

Refereed papers (in English)

Miscellaneous

- Coordinator of FAR network about Agricultural and Rural Lands at INRAE,
- Member of the working group on the wine and grapevine products sector at INRAE,
- Consultant and Expert for INAO, the French National Institute of the Signs of Quality and Origin,
- Consultant for Inter-Rhône, the organization of wine producers from the Rhône Valley,
- Member of the scientific committee of RNEST, a network about the management of soil quality (2018–2024),
- Expert in a scientific team about "Soil quality indicators",
- Expert in a scientific team about "Artificialized land and artificialization processes: determinants, impacts and levers for action" [[website](#)],

- Member of the scientific committee of the Workshop on Spatial Econometrics and Statistics,
- Member of the *Conseil d'orientation scientifique* of the French association for agricultural economics (SFER),
- Other: [Distillerie Mazy](#) in Burgundy and [Domaine Raspail-Ay](#) in Rhône Valley.
